## STEM Ministries' Belief Statement

We believe in:

1. The divine inspiration and consequent authority of the whole canonical Scriptures as the inerrant and only Word of God
2. The doctrine of the Trinity: God the Father, Jesus Christ the Son, and the Holy Spirit
3. The fall of man and his consequent moral depravity and need for repentance and regeneration
4. The human sexual experience rightly expressed through commitment in marriage between one man and one woman
5. The atonement for sin through the substitutionary death of Jesus Christ
6. The doctrine of justification by faith
7. The regeneration and renewal of man through the work and presence of the Holy Spirit
8. The resurrection of the body, both in the case of the just and the unjust
9. The eternal life of the saved and the eternal punishment of the lost, as described in Scripture

## STEM Ministries' Mission Statement

STEM Ministries' passion is to send well prepared, God-focused Christians of all ages and backgrounds on short-term outreaches to make Jesus Christ known through evangelism, construction, and one-to-one ministry.
